VEHICLE USE WITHIN  
 CHANTICLEER TOWNS

IN ACCORDANCE with Article 10, Section 1 of the Chanticleer Towns Homeowners Association's By-Laws, the Board of Directors adopt the following rules:

Builders shall recognize that the road system in Chanticleer Towns is not capable of handling 18 wheel or larger vehicles and therefore, instruct builders to make every effort to eliminate the use of 18 wheel or larger vehicles on Chanticleer roads. In those few occasions where the use of such vehicles are absolutely necessary, the builder is required to do the following:

1. Have a representative, who is a full time employee of the builder, on site during the entire time the vehicle is being operated on the roads to supervise and control the operation.
2. Instruct the owner and/or operator of the vehicle that the vehicle is to use the incoming lane only for entry and exit for the site.
3. Provide traffic control personnel with a minimum of two individuals at strategic locations to safely control traffic and assist property owners and visitors as they drive through the area during the time the large vehicle is in use on the roads.
4. Be responsible for any and all damage caused by the vehicle.

In the event that any rules governing large vehicle use on Chanticleer's roads run contrary to the By-Laws and/or Restrictive Covenants of Chanticleer Town Homeowners Association,

the By-Laws and Restrictive Covenants shall govern in all respects.
